Waring, A. and Glendon, A.I. (1998a) Managing risk. London: Thomson Learning.

Waring, A. and Glendon, A.I. (1998b) Managing risk, Read the sections Individual Decision-Making on Risk and Individual Behaviour in the Face of Pure Risk, pages 154-161 of chapter 8 Risk Cognition in Waring and Glendon (1998). Note Figure 8.3 and the narrative's assertion that regardless of risk type (pure or speculative) an individual's decision-making will always involve a large degree of speculative trade-offs to benefit self-image and self-esteem. What does this imply for risk decision-making processes and claims to objectivity? London: Thomson Learning.
